

Got Yard Waste?

Free up your trash can and take yard waste to one of the City's dropsite locations. Green waste sites are a great way to recycle yard clippings, eliminate landfill waste and contribute towards the City's composting program. Speaking of compost, did you know, the City has a Pound-for-Pound Exchange Program? When you take green waste to the landfill, save your ticket and exchange it for compost!

YES

Place these items in green waste

Branches

Grass

Pine Cones

Leaves

NOPE

These items can be thrown away

Trash & Trash Bags

Fence Posts & Lumber
please take to the landfill
